

**REMARKS**

By this Supplemental Amendment, Applicant amends claims 1, 8, 9, 12, 19, and 20 to recite "first machine," "second machine," and "environment" instead of "work machine," "second work machine," and "work environment," respectively, to further clarify these claims. Applicant also amends claim 23 to recite "machine" instead of "work machine" for this same reason. In addition, Applicant amends claims 6 and 16 to recite "communication protocol" instead of "protocol" to maintain consistency with independent claims 1 and 12, respectively. Applicant also amends the title for consistency with the claims. No new matter has been added.

Claims 1-23 remain pending in this application. Claims 1-23 are allowable over the prior art of record for the same reasons as those discussed in Applicant's Reply to Office Action of May 9, 2007. Accordingly, Applicant respectfully requests the entry of this Supplemental Amendment and the timely allowance of pending claims 1-23.

Please grant any extensions of time required to enter this response and charge any additional required fees to our Deposit Account 06-0916.

Respectfully submitted,
